PROFESSIONAL SUMMARY

Recent B.E. Computer Science graduate (2026) from Chandigarh University specializing in **Data Analytics, Power BI, SQL, Python, and Excel**. Hands-on experience building interactive dashboards, performing EDA, and designing DAX-based KPIs. Delivered actionable insights across sales, HR, and customer analytics projects. Seeking off-campus Data Analyst / BI Developer roles.

EDUCATION

B.E. – Computer Science Engineering | Chandigarh University, Punjab 2022 – 2026
Intermediate (HPBSE) | Minerva Sr. Sec. School, Ghumarwin, HP 2022
Matriculation (HPBSE) | Minerva Sr. Sec. School, Ghumarwin, HP 2020

TECHNICAL SKILLS

Languages: Python, C++, SQL, HTML, CSS

BI & Data Tools: Power BI, DAX, Microsoft Excel (Advanced), MS SQL Server

Data Skills: Data Cleaning, EDA, Data Modelling, KPI Design, Dashboard Development, Statistical Analysis

Dev Tools: VS Code, GitHub **Soft Skills:** Agile, Leadership, Team Collaboration, Communication, Time Management

PROJECTS

Customer Behaviour Analytics Dashboard | Python, SQL, Power BI, EDA, DAX 2025 – 2026

- Built end-to-end analytics pipeline — collected, cleaned, and transformed customer transaction data using Python and SQL.
- Performed EDA to uncover purchasing patterns, demographics, product preferences, and revenue trends.
- Developed interactive Power BI dashboards with KPIs (segmentation, sales, retention, frequency) using drill-through filters and DAX measures.
- Consolidated multiple data sources into one centralized dashboard, boosting reporting efficiency.

Blinkit Sales Performance Analytics Dashboard | Power BI, DAX, SQL, Excel May 2024

- Designed multi-page Power BI dashboard analysing 1M+ sales records across item types, outlet types, size, and location tiers.
- Built DAX KPIs: Total Sales (1M), Avg Sales (141), Items (9K), Avg Rating (3.9); visualised trends via bar, donut, and line charts.
- Implemented drill-through slicers and cross-report filters, cutting stakeholder time-to-insight significantly.

Sales Performance Analytics Dashboard | Power BI, SQL, Excel, Python, DAX May 2024

- Analysed 12K+ sales records; built interactive dashboards with KPIs: YTD Sales, YoY Growth, Profit %, Sales Ranking.
- Identified region-wise performance gaps and profitability trends, enabling faster data-driven decisions.

HR Attrition Analytics | Power BI, Python, Excel, Statistical Analysis Apr – May 2023

- Analysed employee attrition across departments, salary bands, and demographics; identified key drivers, improving retention insight accuracy by 18%.

EXPERIENCE

In-house Training – Campus Placements | Chandigarh University May – Jun 2024

- Completed intensive training in C++, Data Structures & Algorithms using VS Code.

CERTIFICATIONS

- Google Data Analytics Professional Certificate – Coursera / Google
- Foundation of Cloud IoT Edge ML Certificate – April 2025
- In-house Training Certificate – June 2024
